

INSO Circular 10

Greetings from the Philippine Nuclear Research Institute (PNRI) and Steering Committee of the **First International Nuclear Science Olympiad (1st INSO)**.

We wish to provide the following details regarding airport pick-up for participants of the 1st INSO who will be landing in the Clark International Airport in Clark Freeport Zone, Pampanga & Ninoy Aquino International Airport (NAIA) in Manila, Philippines.

CLARK INTERNATIONAL AIRPORT (Clark, Pampanga)

- Participants will arrive at the International Arrivals section of the Clark International Airport.
- A member of the 1st INSO organizing committee will meet you once you disembark from the airplane (before the Immigration Booths).
- The member of the 1st INSO organizing committee will bring you to a designated vehicle (van or bus) for transport to Park Inn by Radisson Clark, Pampanga for registration. After registration, students will be transported to the Athlete's Village in New Clark City.
- The travel from Clark International Airport to Park Inn by Radisson Clark, Pampanga will take approximately 15 to 20 minutes. Please note that we may transport participants and observers in batches, thus there may be a need to wait at the airport for other participants to arrive who will ride in the same vehicle to the Park Inn Hotel..

NINYO AQUINO INTERNATIONAL AIRPORT (Manila, Philippines)

- Participants will arrive at either the Ninoy Aquino International Airport (NAIA) Terminal 1 or 3. Please check the airline ticket issued to you by your airline or the IAEA.
- An airport staff from NAIA will meet you once you disembark from the airplane. The airport staff will turn you over to a member of the 1st INSO organizing committee at the designated meet-up point in Terminal 1 or 3.

- The member of the 1st INSO organizing committee will take you to a designated vehicle (van or bus) for transport to Park Inn by Radisson Clark, Pampanga for registration. After registration, students will be transported to the Athlete's Village in New Clark City.
- The travel from NAIA to Park Inn by Radisson Clark, Pampanga will take approximately 2.5 hours to 3 hours. Please note that we may transport participants and observers in batches, thus there may be a need to wait at the airport for other participants to arrive who will ride in the same vehicle to Clark, Pampanga.

ADDITIONAL REMINDERS

- If you have not yet submitted your arrival and departure details, kindly send them to ics@pnri.dost.gov.ph by **25 July 2024** to allow the organizers to arrange all necessary transportation requirements.
- Should there be any changes in arrival details, please inform the 1st INSO organizing team as soon as possible so that we can prepare possible arrangements.
- An updated version of the airport pick-up details may be sent in case of any changes related to airport pick-up and transportation.

Should you not see any member of the INSO organizing committee at the designated terminal meet-up point, you may contact the following coordinators through these contact details:

Name	Assigned Airport	Email Address	Mobile / Viber / WhatsApp
Andrea Luz G. Nery-Dela Cruz	Clark International Airport	ics@pnri.dost.gov.ph	+63 917 845 1659
Miriam F. Rejas	Ninoy Aquino International Airport	ics@pnri.dost.gov.ph	+63 999 691 8961

This circular is also posted on our website, <https://insofirst.ph>, as well as future circulars and other information as we move forward to the start of the Olympiad.

We are looking forward to welcoming you to the First International Nuclear Science Olympiad.

1st INSO Organizing Committee
